Confirmation for European Community Directive 2011/65/EU (RoHS II)

Products which are within the scope of the RoHS II Directive 2011/65 / EU, please refer the confirmation of the CE conformity declaration for the product.

Products which will be affected by the RoHS II Directive 2011/65 / EU at a later date, we already confirm the following facts at the present time:
Products from Belden Deutschland GmbH, which are not yet subject to Directive 2011/65 / EU, already contribute to the protection of the environment. These products comply with RoHS II (2011/65 / EU) with their ingredients, but generally with the exception of 6c "lead in copper alloys".

This endorsement, however, does not apply for any components supplied by you.

Best regards

Belden Deutschland GmbH
